CHA CABRINI EXTENSION NORTH REDEVELOPMENT VILLAGE NORTH NEIGHBORHOOD CHICAGO, ILLINOIS

**CITY OF CHICAGO
DEPARTMENT OF
TRANSPORTATION
BUREAU OF
HIGHWAYS**

HOH provided engineering services for the preparation of plans, specifications and estimates for the new construction of 5 streets, and resurfacing of 2 streets, necessary for the CHA Cabrini Extension Development, located within the City of Chicago (Village North):

New Street Construction

- W. Elm Street: N. Larrabee Street to Cleveland Avenue.
- W. Hobbie Street: N. Larabee Street to Cleveland Ave.
- Cambridge Avenue: W. Oak Street to W. Division Street
- Cleveland Avenue: W. Oak Street to W. Division Street
- Hudson Street: W. Elm Street to W. Division Street

Resurfacing

- N. Larrabee Street: W. Division St. to W. Oak St.
- W. Oak Street: N. Larrabee St. to N. Cleveland Ave.

The work included: soil reports, plans, profiles and details necessary to identify all existing utilities and structures, tree removals and plantings, curbs and gutters, sidewalks and driveways, sanitary sewer main, and drainage structures and systems.
